Saturday, May 22, 2010 We will be making school bags for Church World Service. This will require cutting out a very basic pattern and stitching a few straight seams on a sewing machine. This will be a SEWING 101 class. Our plan is to make bags and then fill them in July when school supplies go on sale.

We meet from 9 to noon in Faith Hall on the 4th Saturday of the month. If you are a new sewer we promise to help you every step of the way.

FURTHER DATES AND PROJECTS:

June 26: We will be teaching and making cards and scrapbooks.

July 24: We will be teaching basic knitting and crocheting.

August 28: We will be teaching quilt making.

September 25: At this meeting we will be discussing a Holiday Fair to be held on November 5, 2010 (tentative date). We will begin making items to be sold at the Fair.

Prayer Concerns

Please continue to keep the following people in your prayers:

Sylvia & Ken Downing

Monica & Phil Hefron

Peg & Dick Hanny

*As I mentioned at worship on Sunday, **Erin Brown** was ill. I saw Heather & Erin yesterday afternoon. Erin was doing better and was starting antibiotics last night. Heather said they took some cultures and the doctor thinks that it is strep. Please continue to keep the family in prayer during Shawn's deployment!*
